**Declaration of health insurance obligation of students according to § 199a SGB V for the winter semester 2022**

My enrollment at the University of Würzburg is for the International Virtual Würzburg Winter Module Course »Unravelling Sociological Theory – New trends and challenges for the 21st Century« in February 2022 (module course of study: “Political and Social Studies”, module: “Neuere theoretische Ansätze der Soziologie B” (06-PSS-AM-AS4B-152-m01)).

My module course of study is only offered virtually and I hereby confirm that I was informed that I will either need to stay outside of Germany for the entire duration of the above-mentioned semester or that I will need to get a German health insurance for the entire duration of the above-mentioned semester.

I was informed that

- If I enter Germany during the above-mentioned semester, I am obligated to get a retrospective German health insurance for the duration of the whole above-mentioned semester or on the day of enrollment or re-registration.
- If I enter Germany during the above-mentioned semester, I am obligated to pay retrospectively health insurance fees for the duration of the whole above-mentioned semester or on the day of enrollment or re-registration.

If I enter Germany during the above-mentioned semester, I will immediately and without request present a certificate of German health insurance.

Place and date

Signature of applicant (or legal guardian, for minor students only)

**Legal basis for data collection:**

The legal basis for the collection of personal data is stated in Art. 42 §4 of the Bavarian University and College Act (BayHSchG) in the currently valid version. According to this law, every student is obliged to provide the personal data requested in this application, unless this data is marked as voluntary. The data is used by the University of Würzburg for administrative purposes in connection with enrollment and for university statistics. Leave of absence can be denied if the information provided is incomplete. Data processing is carried out in accordance with the provisions of the Bavarian Data Protection Act in its currently valid version.
