2022

[Lo sviluppo dei partiti verdi in Germania ed in Italia dal 1994 al 2018](#)

"The development of green parties in Germany and Italy from 1994 to 2018"

Scientific book publication about two green parties in Germany and in Italy.

In the analysis, four main factors are described: Party Identities, Party Strategic Entries, Electoral Systems and the impact of the Economy. These factors are relevant to understand the success of "Die Grünen" in Germany and the failure of "Federazione dei Verdi" in Italy
